

What is Dirt-Off?

Ultimate heavy-duty detergent/degreaser for use on a huge variety of outdoor surfaces. Amazingly versatile, Dirt-Off is a pleasantly-perfumed degreaser for use with mops, autoscrubbers, steam cleaners and pressure washers. Ideal for cleaning floors, walls, pavements, equipment, paintwork, machinery, BBQs, vehicles, trains and signs.

Key Benefits

- ✓ Versatile: cleans a wide variety of surfaces
- ✓ Fast-acting
- ✓ Reduces the amount of scrubbing required
- ✓ Tackles the toughest outdoor dirt and grease

How Does It Work?

Dirt-Off is an alkaline water-based solvent cleaner suitable for use on all washable surfaces.

This concentrated detergent:

- Rapidly loosens dirt, fat and soot allowing it to be washed away
- Is very versatile and excels in a variety of cleaning tasks

For Use On ...

Dirt-Off removes the toughest dirt, mud, oil films, grease, hardened fats, grime and soot.

It is suitable for cleaning walls, ceilings, floors, equipment, machinery, vehicle bodies, sinks, cupboards, baths, showers, car and truck engine bays, train carriages. It is also effective on outdoor furniture, caravans and awnings, car interiors and vinyl upholstery. Safe on stainless steel, glass, plastic, paint surfaces in good condition, aluminium and porcelain.

Dirt-Off may be used in mop buckets, autoscrubbers and steam cleaners, as well as by spray-and-wipe.

CAUTION: Do not use Dirt-Off on painted surfaces that are in bad condition.

Environmental Care

Dirt-Off conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. Dirt-Off is non-flammable and contains biodegradable surfactants. Containers are recycled wherever possible. Dirt-Off containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd, significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".

First Certified: 30 April 1996. SAI Certificate No.: QEC7358

Application

- For cleaning surfaces with LIGHT SOILAGE – dilute 1 part Dirt-Off to 80 parts with water.
- For HEAVY KITCHEN FAT REMOVAL – Use Dirt-Off neat. This is ideal for cleaning ovens, BBQ's, walls, dirty paintwork and machinery.
- For general HEAVY-DUTY CLEANING – Dilute Dirt-Off to 1 in 20.
- For spray-wipe cleaning, MEDIUM SOILAGE – dilute to 1 in 30.
- For scrubbing floors, dilute 1 part Dirt-Off to 80 parts with water.
- Apply the Dirt-Off solution using a spray, mop or sponge, and scrub lightly, then rinse off or wipe clean using a mop or a clean cloth. Dirt-Off can also be used in an autoscrubber.
- For pressure washing, dilute to 1 in 120.
- Refer to SDS for safety directions.
