

Shor Bleach

Technical Bulletin

Product Description

Shor Bleach is a liquid chlorine bleach. This combines bleaching activity to remove stains with excellent germ killing ability.

Shor Bleach is a very versatile product and can be used on laundries, kitchens, bathrooms and toilet areas.

Shor Bleach contains chlorine stable detergents to enhance the cleaning ability of the product.

Applications

As a laundry bleach add up to 20ml (1 tablespoon) to each 5 litres of water in the wash. Dilute with water before adding to the wash. Do not use on wool, silk, nylon or orlon.

For general stain removal used at 1:80 (¼ cup in 5 litres water).

Store in a cool area and use old stock first.

Technical Data

Shor Bleach is a liquid containing 4% available chlorine. It also contains biodegradable chlorine stable detergents.
